Jonah
Message #1

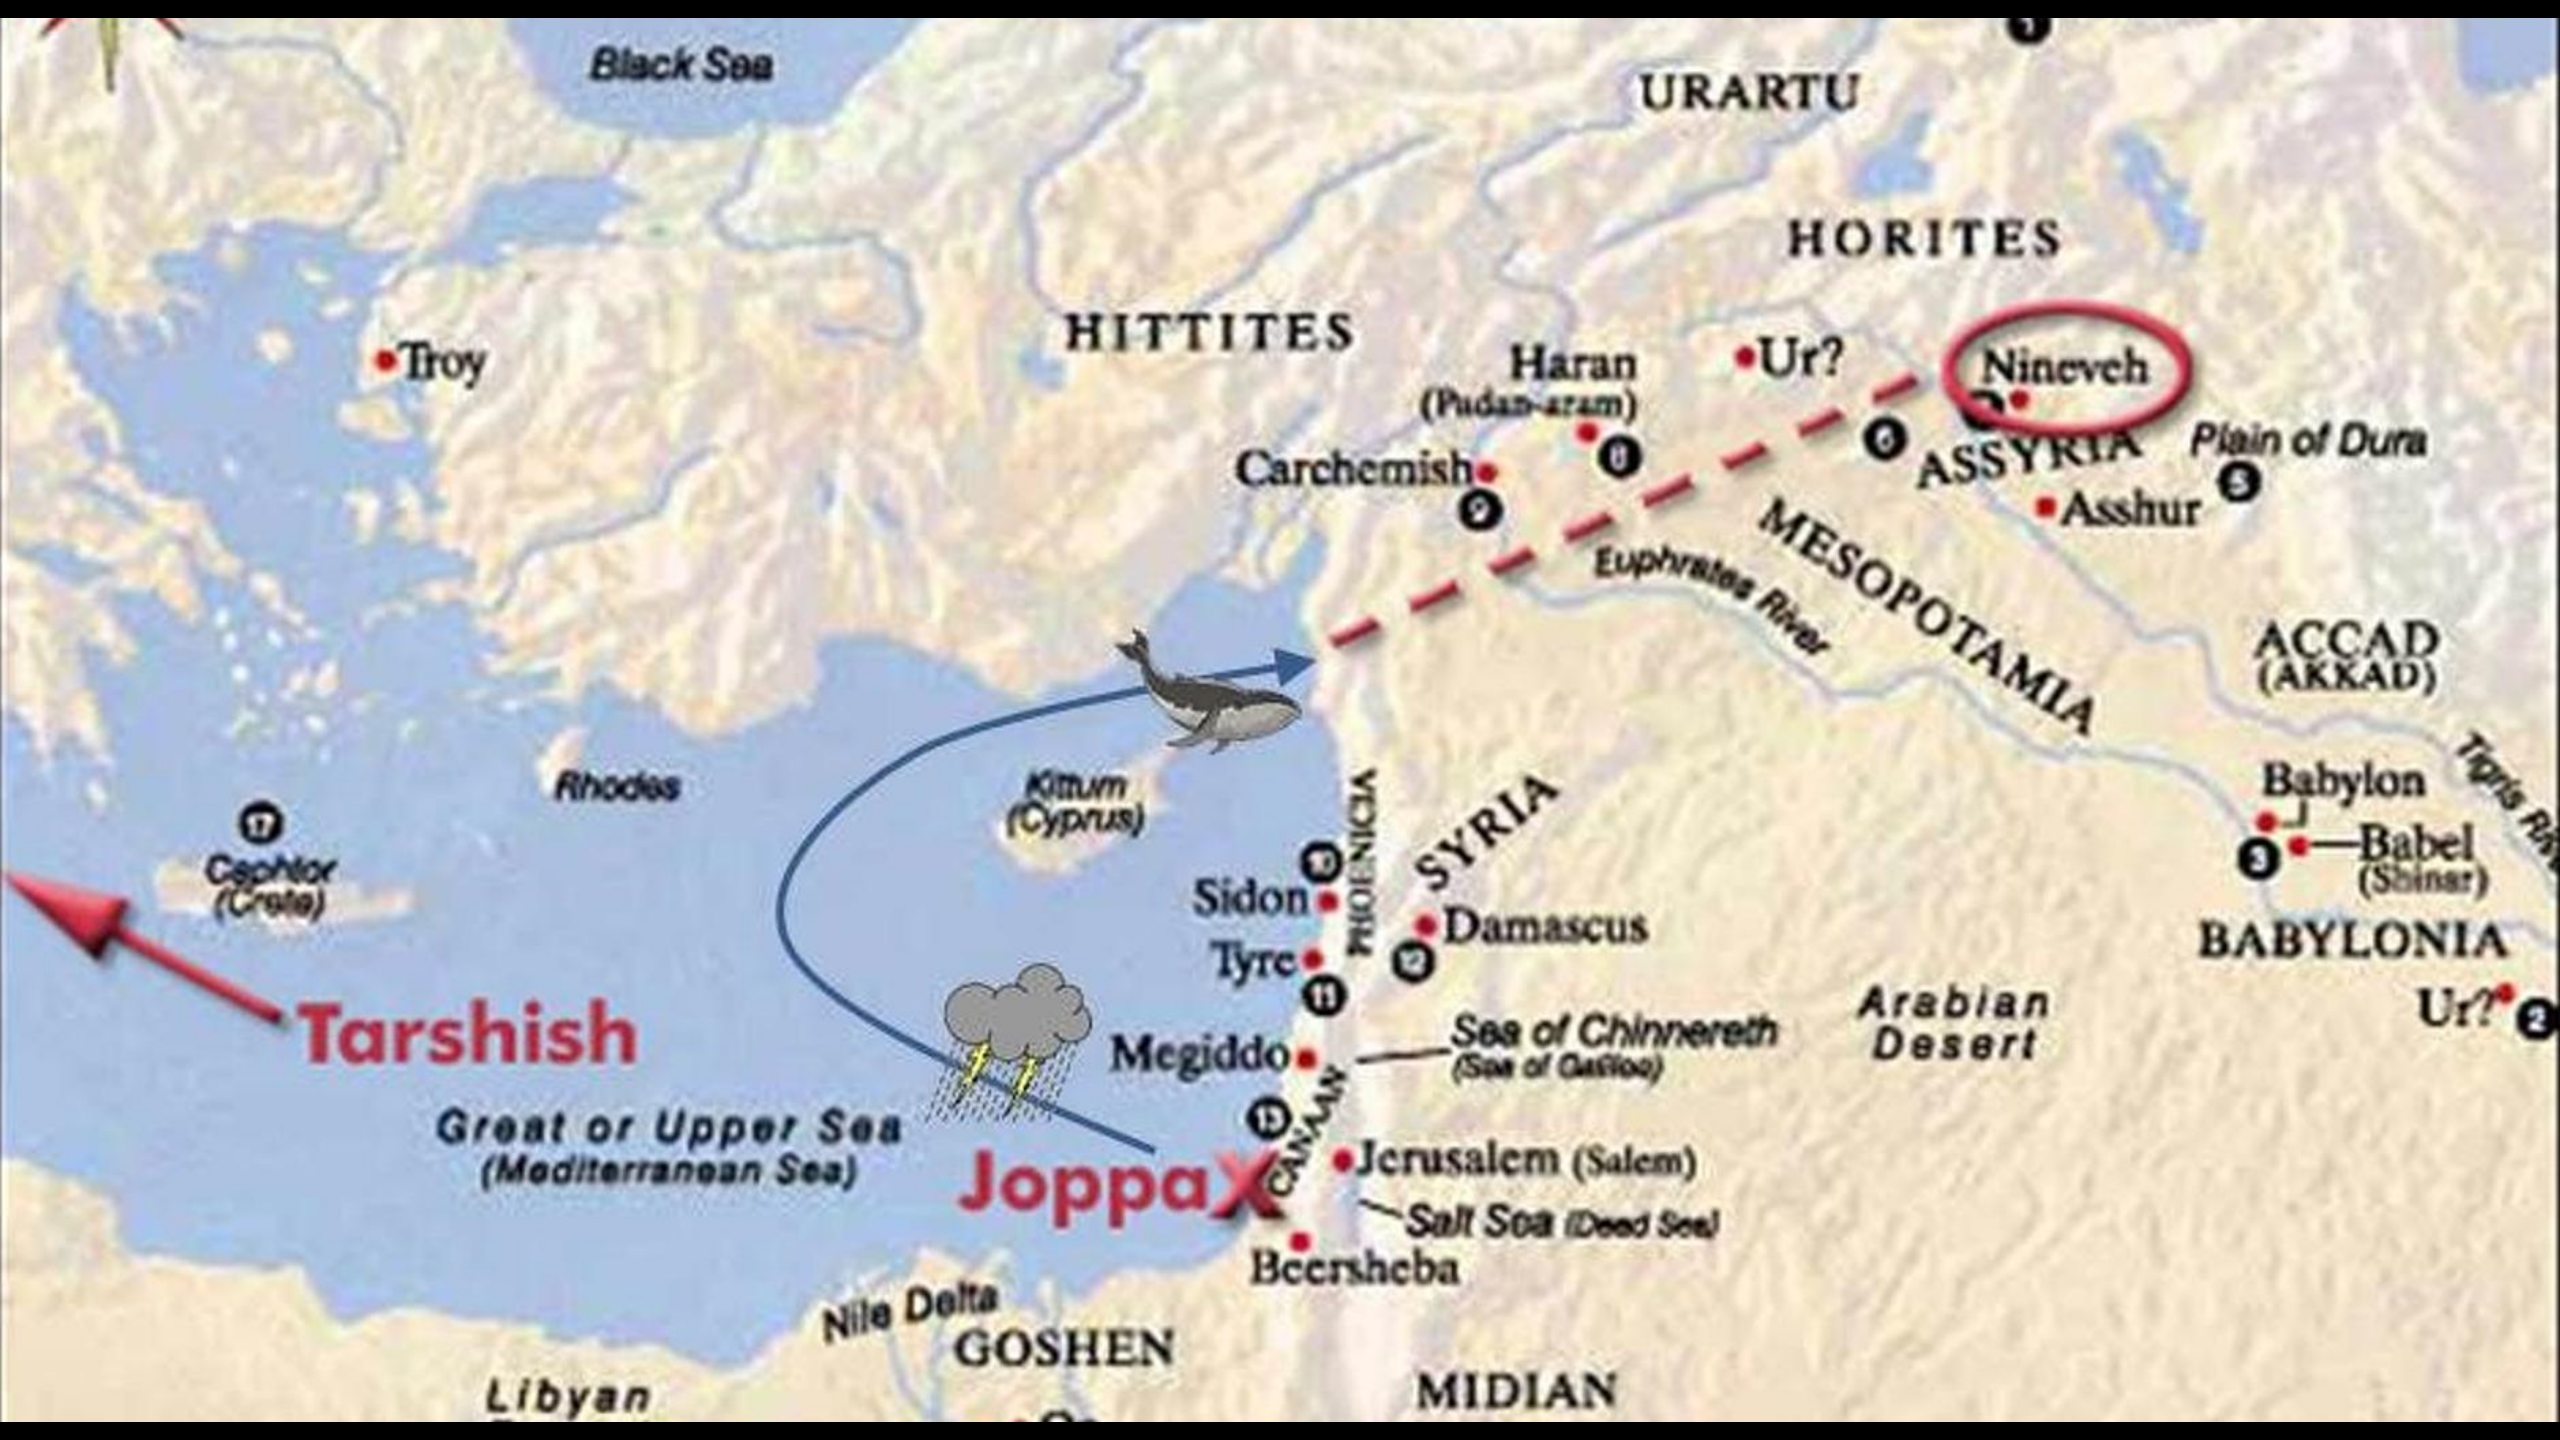

The background image is a dramatic, low-key photograph. It depicts a massive, ancient-looking fish, possibly a giant squid or a large shark, with its mouth wide open, revealing sharp teeth. A small figure of a man is visible inside the fish's mouth, being swallowed. In the foreground, another man stands with his back to the camera, looking towards the fish. The scene is set in a dark, turbulent environment, likely the ocean at night or in a storm, with a bright, golden light source illuminating the fish's mouth and the man in the foreground. The overall mood is one of awe, danger, and divine intervention.
